# FEEDBACK ANALYSIS REPORT

AY 2021 – 2022

Smt. K. L. Tiwari Education Society's

SMT. K. L. TIWARI COLLEGE OF ARCHITECTURE

Foundation of Excellence

Approved by Council of Architecture, New Delhi & DTE,
Maharashtra State & Affiliated to University of Mumbai
DTE Code No.: AR 3484

SMT. K. L. TIWARI COLLEGE OF ARCHITECTURE, MIRA ROAD (EAST)

Feedback Analysis Report

After completion of Academic session 2021 -2022, separate feedback was collected from five stakeholders i.e. Students, Teachers, Alumni, Employers and Parents.

Mode of Collection:

The feedback was collected through online mode from students, teachers, alumni, employers and parents on curriculum for different categories.

Number of Response received:

Responses received from different stakeholders are mentioned below:

Sr. no	Stakeholder	No. of Response received
1	Student	149
2	Faculty	17
3	Alumni	89
4	Employers	7
5	Parents	43

Feedback Analysis:

Detailed analysis of feedback responses from five stakeholders are discussed below:

Students' Feedback on Academic Performance

	Excellent	Very Good	Good	Average	Poor	Total	Overall Satisfaction
Rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course.	24.8%	55.0%	18.8%	1.3%		149	100.0%
How do you rate the electives offered ?	22.8%	48.3%	25.5%	1.3%	2.0%	149	98.0%

Students' Feedback Analysis on Academic Performance and Ambience & Infrastructure

1. Rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course.

Overall feedback on the syllabus of the courses is positive with a majority of the students expressing satisfaction. A significant majority of students comprising 98.6% (24.8% Excellent + 55% Very Good + 18.8% Good) express a positive view regarding the syllabus of the course. A notable 1.3% of students responded with average.

2. How do you rate the electives offered ?

Most students have expressed satisfaction with the electives. A sizable majority of students—96.6% (22.8% Excellent, 48.3% Very Good, and 25.5% Good) have good opinions of the electives offered by the college. Notably, average responses were given by 1.4% of the students. Even if the majority of students have positive opinions, it is imperative to address the 2% of students who have poor opinions. Overall satisfaction level of the students on electives offered is 98%.

3. Rate the Integration of course material with current events, recent innovations & interdisciplinary topics

Overall, positive remarks on the Integration of Course material with current events & recent innovations have been made by the majority of students. The integration of course material is viewed favorably by a significant majority of students (25.5% Excellent, 47.7% Very Good, and 22.8% Good). Remarkably, 4% of students provided average responses.The percentage of students that are satisfied with the Integration of Course material overall is 100%.

4. Rate the hands-on learning/ workshops conducted with reference to development of professional skills.

Most students have had favorable things to say about the experiential learning and workshops. A sizable majority of 95.3% students regard the hands-on learning/workshops highly (20.8% Excellent, 49% Very Good, and 25.5% Good). Surprisingly, 4% of the students gave mediocre answers. Even if the majority of students have positive thoughts, it is imperative that the 0.7% of students who have negative responses be addressed.There are 99.3% of students that are happy with the hands - on learning/ workshops that are offered overall.

6. Rate the ability to understand concepts in the courses offered.

As a whole, 99.3% of students (22.8% Excellent + 45.6% Very Good + 30.9% Good) have positive opinions on the understanding of concepts in the courses offered. This suggests that there is a high degree of satisfaction with the plans created for every course. Unexpectedly, 0.7% of the students provided mediocre responses. There are 100% of students that are satisfied.

9. Rate the satisfaction level of exposure to professionals in the field of architecture & allied fields and their work.

Regarding the satisfaction level of exposure to professionals in the field of architecture & allied fields and their work, the majority of students have expressed favorable thoughts. The satisfaction level of exposure, majority of students (22.8% Excellent, 49% Very Good, and 24.8% Good) expressed positive views. It is noteworthy that 3.4% of the students gave average response. The satisfaction level of teaching with reference to the courses offered are generally rated well by 100% of students.

10. Rate the ambience and infrastructure facilities offered by the institution.

Regarding the ambience and infrasructure facilities, the majority of students have expressed favorable thoughts. The satisfaction level of exposure, majority of students (22.8% Excellent, 49% Very Good, and 24.8% Good) expressed positive views. It is noteworthy that 3.4% of the students gave average response. The satisfaction level of teaching with reference to the courses offered are generally rated well by 100% of students.

Faculty's Feedback Analysis on Academic Performance and Ambience & Infrastructure

The faculty's curriculum holds immense significance in shaping and enhancing the educational experience for the students. It helps to ensure that the curriculum aligns closely with the intended learning objectives of the course. The feedback also helps to miantain the curriculum's alignment with industry and academic standards, thus better preparing students for their future careers or further career pursuits.

Relevance of course contents with the current scenario in the field / profession of architecture.

Most faculties have expressed satisfaction with the course contents with the current scenario in the field/ profession of architecture. Faculties satisfaction with the relevance of course contents with the current scenario in the field of architecture is 100%.

Flexibility in syllabus / course to accommodate innovative Teaching Methodology and Assignments

The graph reflects that thier flexibility in syllabus/course, ensuring a comprehensive understandingand accomodating innovative teaching methodology and assignment with 41.2% very flexibile and 58.8% flexible. Overall 100% satisfaction level regarding flexibility in syllabus.

Is the depth of course contents, sufficient for coverage of the course outcomes

In context of depth of course contents, sufficient for coverage of the course outcomes. 23.5% responded very sufficient and nearly 3/4th i.e. 76.5% of them responded sufficient. Thus, the overall satisfaction is 100% for depth of course contents, sufficient for coverage of the course outcomes.

Does the institute offer value added courses/ soft skill training/ domain specific electives for enhancing constructive learning

35.3% strongly agree with regard to the institute offer value added courses/ soft skill training/ domain specific electives for enhancing constructive learning and 64.7% agree with respect to the fact that the institute offer value added courses/ soft skill training/ domain specific electives for enhancing constructive learning.

Hence, 100% of satisfaction is found to be the positive feedback for the the institute offer value added courses/ soft skill training/ domain specific electives for enhancing constructive learning.

Are you satisfied with the participation opportunity offered by the institute in the academic & non-academic activities ?

A significant portion of respondents, nearly more than half i.e. 41.2% strongly agree with regard to participation opportunity offered by the institute in the academic & non-academic activities and 58.8% agree with respect to the fact that the participation opportunity offered by the institute in the academic & non-academic activities.

Hence, 100% of satisfaction is found to be the positive feedback for the participation opportunity offered by the institute in the academic & non-academic activities.

Rate the resources available in the institute with respect to teaching & learning

The overall feedback regarding resources available in the institute with respect to teaching and learning is positive, with a majority of faculties expressing satisfaction.

A significant portion of faculties comprising 41.2% express a positive view regarding the resources available in the institute with respect to teaching and learning. A noteable 58.8% faculties agree positively.

Alumni's Feedback Analysis on Academic Performance and Ambience & Infrastructure

Rate the Courses under B.Arch Programme with respect to its structure to achieve the learning outcomes.

In context of Courses under B.Arch Programme with respect to its structure to achieve the learning outcomes, combined 95.5% (15.7% Excellent + 48.3% Very Good + 31.5% Good) of them responded positive. 1.1% of the alumni had negative responses. Thus, the overall satisfaction is 98.9% regarding the courses under B.Arch Programme with respect to its structure to achieve the learning outcomes.

Rate the Institution with respect to Teaching & Learning

A significant majority of alumnus comprising 97.8% (20.2% Excellent + 46.1% Very good + 31.5% Good) express a positive view regarding the institution with respect to teaching and learning. A notable 2.2% student responded average. Overall satisfaction within the alumni regarding this topic is 100%.

Rate the Institution with respect to growth opportunities for students

The data reveals that 14.6% believes that the institution with respect to growth opportunities for students is excellent while combined 74.1% (44.6% Very Good + 29.2% Good) responded that the institution with respect to growth opportunities for students is good. 10.1% had mediocre responses and 1.1% had negative responses.

Rate the Institution with respect to Industry / Profession - Academia exposure

The data reveals that combined 85.3% (15.7% Excellent + 39.3% Very Good + 30.3% Good) responded that the institution with respect to growth opportunities for students is fair. The notable alumnus responded average i.e. 12.4% regarding the institution with respect to industry/ profession - academia exposure. Along with the positive responses, 2.2% of them were negative.

Rate the Institution with respect to extra-curricular activities, Hands-on learning, workshops

The data reveals that combined 71.9% (40.4% Very Good + 31.5% Good) responded that the institution with respect to extra-curricular activities, hands-on learning, workshops etc, is fair. The notable alumnus responded average i.e. 4.5% regarding the institution with respect to industry/ profession - academia exposure extra-curricular activities, hands-on learning, workshops etc.

Rate the ability of the programme to orient students towards pursuing further higher education / research

Most students have had favorable things to say about the experiential learning and workshops. A sizable majority of 92.1% students regard the hands-on learning/workshops highly (15.7% Excellent, 33.7% Very Good, and 42.7% Good). Surprisingly, 6.7% of the students gave mediocre answers. Even if the majority of students have positive thoughts, it is imperative that the 1.1% of students who have negative responses be addressed.There are 98.8% of students that are happy with the hands - on learning/ workshops that are offered overall.

Rate the ability of programme content in developing expected skills and abilities in profession

The data reveals that 15.7% believes that the ability of programme content developing expected skills and abilities in profession is excellent while combined 78.7% (36% Very Good + 42.7% Good) responded that theability of programme content developing expected skills and abilities in profession is fair. The notable alumnus responded average i.e. 5.6% regarding the ability of programme content developing expected skills and abilities in profession.

Would you like to contribute towards the initiatives by the institute with respect to alumni participation?

96.9% of alumnus strongly agreeing to contribute towards the initiatives by the institute with respect to alumni participation. Thus majority showed satisfaction regarding contributing towards the initiatives by the institute with respect to alumni participation.

Rate the Institution with respect to Infrastructure & facilities

Regarding the infrasructure facilities, the majority of alumni have expressed favorable thoughts. The satisfaction level of exposure, majority of alumni (9% Excellent, 39.3% Very Good, and 41.6% Good) expressed positive views. It is noteworthy that 9% of the students gave average response. ven if the majority of students have positive thoughts, it is imperative that the 1.1% of students who had negative responses. The satisfaction level of teaching with reference to the courses offered are generally rated well by 98.9% of students.

Parent's Feedback Analysis on Academic Performance and Ambience & Infrastructure

Does the syllabus meet its objectives?

The syllabus serves as a roadmap for the course's essential elements and makes sure that the learning objectives are successfully met. The main goal is to give students a thorough comprehension of the course and the knowledge and abilities they need to enroll in an architecture.

As a whole, 92.9% of Parents have positive opinions on the syllabus meeting its objectives. This suggests that there is a high degree of satisfaction with the syllabus meeting its objectives. Unexpectedly, 4.8% of the parents provided mediocre responses.Even in cases when the majority of parents have positive responses, it is imperative that the 2.4% who have negative reactions be addressed. There are 97.6% of parents that are satisfied.

Does college emphasis on fundamentals?

The college's course program is intended to give students a strong foundation by highlighting the fundamental ideas and ideas that are important for both professional and academic growth. These foundational concepts will act as the cornerstones for future in-depth research and field applications.

The majority of parents have expressed positive opinions regarding the emphasis on fundamentals. The majority of parents (86%) had high appreciation regarding learning outcomes of the courses offered. Remarkably, 11.6% of the parents provided average responses. It is crucial to address the 2.3% of students who have negative replies, even when the majority of parents have good opinions. 97.7% of students are satisfied with the learning outcomes of the courses offered.

Does benefits derived from the course?

Overall, 100% positive remarks on the benefits derived from courses have been made by the majority of parents.

Rate the coverage of modern/advanced topics:

Our curriculum include the most recent achievements in architecture, as we live in a time of rapid technological growth and ongoing innovation. Our goal is to give a complete education that covers fundamental principles and equips the opportunities and challenges of the future by integrating modern and advanced themes.

Overall remark on coverage of modern/ advanced topics is positive. This is viewed favorably by a significant majority of parents i.e. 95.3% (11.6% Excellent + 65.1% Very Good + 18.6% Good) . Remarkably, 4.7% of parents provided average responses. The percentage of parents that are satisfied with the benefits derived from the Course overall is 100%.

Does this course meet the current industry requirements:

Regarding the course meeting its current industry requirements in the field of architecture & allied fields and their work, the majority of parents have expressed favorable thoughts. The satisfaction level of exposure, majority of parents expressed positive views i.e. 93%. It is noteworthy that 2.3% of the students gave average response. Even in cases when the majority of parents have positive responses, it is imperative that the 4.7% who have negative reactions be addressed. The satisfaction level of course meet the current industry requirements are generally rated well by 95.3% of parents.

The quality of the education is:

The goal of a high - quality education is to create people who are not just knowledgeable but also capable of critical thought, problem solving, and community engagement.

Most parents have expressed satisfaction with the quality of the education. A sizable majority of parents—97.6% (11.6% Excellent, 58.1% Very Good, and 27.9% Good) have good opinions regarding quality of education offered by the college. Notably, average responses were given by 2.3% of the students. Overall satisfaction level of the students on electives offered is 100%.

How do you rate the quality and relevance of the courses included into the curriculum?

The quality and relevance of a course are pivotal in determining its effectiveness and the value it provides to students. These factors affect not only the learning process in the short term but also the impact and long-term application of the knowledge and abilities gained. To ensure that students are ready to face the challenges of the modern world, it is imperative to provide them with relevant and high-quality coursework.

Most parents have expressed satisfaction with the quality and relevance of the courses included into the curriculum. A sizable majority of parents—90.7% (9.3% Excellent, 39.5% Very Good, and 41.9% Good) have good opinions regarding quality of education offered by the college. Notably, average responses were given by 9.3% of the parents. Overall satisfaction level of the parents on quality and relevance of the courses included into the curriculum is 100%.

Your opinion about other activities like tours, seminars, workshop, sports, cultural activities etc, conducted:

Regarding opinion about other activities like tours, seminars, workshop, sports, cultural activities etc conducted, the majority of parents have expressed favorable thoughts. The satisfaction level of about , majority of parents (20.9% Excellent, 34.9% Very Good, and 39.5% Good) expressed positive views. It is noteworthy that 4.7% of the parents gave average response. The satisfaction level about activities like tours, seminars etc conducted are generally rated well by 100% of parents.

Your confidence on the employability of your ward based on this programme of study

Regarding confidence on the employability of their ward based on this programme of study, the majority of parents have expressed favorable thoughts. Majority of parents expressed positive views i.e. 93% (9.3% Excellent, 39.5% Very Good, and 44.2% Good). It is noteworthy that 7% of the students gave average response. The overall staisfaction level regarding college staff and thier support are generally rated well by 100% of parents.

Academic growth of your ward

With respect to the college staff and their assistance to their ward, most parents have provided positive feedback. The majority of parents—16.3% Excellent, 41.9% Very Good, and 37.2% Good—expressed favorable opinions. Notably, 4.7% of the pupils provided a mediocre response. It is crucial to address the 1.7% of parents who have negative reactions, even in situations when the majority of parents have good replies. 100% of parents assess their overall satisfaction with college staff and their help as being very good.

Teachers engaging students with real life activities, teaching moral values and shaping their careers:

In addition to conveying academic knowledge, teachers also play a critical role in influencing the lives of the students by guiding their career paths, involving them in real-life activities, and teaching moral values. These components are essential to the development of well-rounded people who can successfully negotiate the challenges of the contemporary world.
