Action Taken Report for IQAC Meeting held on 15.07.2021 for A.Y. 2021-2022

Sr. No	Agendas	Action Taken
01	To approve Standard Operating Procedures (SOPs) mandatory norms for online conduction of lectures.	<ul style="list-style-type: none">The IQAC Team decided to create a system for collecting feedback from both students and faculty on the effectiveness of the SOPs, allowing for continuous updates and improvements based on practical experiences.
02	To conduct career guidance for new Architecture aspirants.	<ul style="list-style-type: none">Organization of a series of virtual career guidance webinars and workshops featuring industry experts, alumni, and faculty to provide insights into the field of architecture and career opportunities was finalised.
03	Hygiene precautions to be conveyed to the students, teaching and non-teaching staff.	<ul style="list-style-type: none">Disseminated comprehensive health and hygiene protocols to all students, faculty, and non-teaching staff, including guidelines on hand hygiene, mask-wearing, social distancing, and regular sanitization practices.
04	To plan Faculty Development program.	<ul style="list-style-type: none">Designed a comprehensive Faculty Development Program including workshops, seminars, and online courses focused on pedagogical strategies, technology integration, research skills, and professional development.
