Action Taken Report for IQAC Meeting held on 18.10.2021 for A.Y. 2021-2022

Sr. No	Agendas	Action Taken
01	Issues related with online sessions.	o The IQAC Team Established a dedicated technical support team to assist both students and faculty with connectivity issues, software glitches, and platform usage problems. This team will provide real-time assistance and troubleshooting.
02	Planning of various online activities.	o Launched online design competitions and events to foster creativity and provide students with opportunities to showcase their work. These events were designed to simulate real-world challenges and encourage peer interaction.
03	Issues related with the online examinations and distribution of responsibilities associated with the same.	o Selected and implemented a secure online examination platform equipped with features for proctoring, randomizing questions, and monitoring exam integrity. Conducted trials to ensure reliability and user-friendliness. o Conducted post-examination reviews to evaluate the effectiveness of the online examination process, gather feedback from students and faculty, and identify areas for improvement.
